## **CORRECTION TO AUTOMATED SOFTWARE USED TO SUBMIT 1998 REGULATORY FEE PAYMENTS**

**This Public Notice is being issued to all users of the 1998 Regulatory Fee Automated Software.** A Public Notice was issued on August 26, 1998, (GN 98-12) which provided information on how to use this software program to pay 1998 Regulatory Fees.

**Users have brought to our attention that there is a software glitch in the payment type codes and the corresponding fee value. The result is that values are not applied properly for the affected payment type codes. ALL USERS OF THE DEFECTIVE SOFTWARE MUST DOWNLOAD AND USE THE "FIX" TO ENSURE PROPER CALCULATION OF FEES (see procedure No. 2).**

A revised fee filer software program has now replaced the defective version issued on August 26, 1998, and is now available for downloading from the internet or purchase from ITS.

### **1. To download the revised fee filer from the FCC's Internet site:**

- a. Enter the <http://www.fcc.gov> address and hit return. The FCC Home Page displays.
- b. Click on the **Fees** link. The FCC Fees page displays.
- c. Click on the **Software** link. The Public Notice displays.
- d. Click on the **Download Fee Filer Software** link. A directory of files displays.
- e. Click on:
  - i. Feewin31.zip for Windows 3.x; or
  - ii. Feewin95.zip for Windows 95
- f. Click on **Save to Disk** on the window that displays. This will allow you to download the file to your local disk for access and use.

For those users who downloaded or purchased the defective software prior to this Public Notice, and entered payment data, a "fix" software program has been developed to preserve the data entered and ensure correct payment amounts are applied. The "fix" software is also available for downloading

from the internet.

**2. To download the "fix" fee filer software from the FCC's Internet site:**
